

Autumn Rugby 2009. Ireland V Australia Croke Park

Saturday 14th November 2009

Ireland enter the new season as historic Grand Slam champions. The Exhilarating Test matches pits Brian O' Driscoll's all conquering heroes against former World Cup winners on November 14th and reigning World Cup champions, South Africa on November 28th.

The star attraction will be played before sell-out attendances at Croke Park and have the additional poignant appeal in that this will be the only time that these super powers of World Rugby will appear at GAA Headquarters as Irish rugby next season commences the countdown to a return to the new look Aviva Stadium in 2010.

The Davenport Hotel is widely recognised as one of the leading hospitality locations in International Rugby Union and is located only a short distance from Croke Park Stadium.

The atmosphere within this facility is without equal, with the perfect combination of superb catering, VIP hostess service and entertaining guest speakers. There is always a huge demand so early bookings are recommended.
