

The Grand National.

Aintree Race Course.

Saturday 10th April.

The Grand National is worldwide one of the most prestigious horse races and one of the world's greatest sporting spectacles. Each year 40 horses line-up to tackle the awesome Aintree course. Four & half miles, with 30 fence jumps, the Grand National is arguably the toughest test of horse and jockey in the world.

The pageantry that is the Grand National captures not only the minds of Horse racing enthusiasts but of all others as well. The reality that being the favourite in this race really means very little is well known and that is what makes it such a tantalising race to watch.

With a host of hospitality facilities within the racecourse everyone will feel spoilt for choice when it comes down to deciding where to partake in their hospitality experience.

From the Earth Summit restaurant at the end of Grand National Avenue to the Cloister restaurant at the parade ring there is sure to be something for everyone.
